

**Dear Sir/Madam**

We are truly delighted with your interest in our company and products. As AC ARGE within the Cassas Group of Companies, we manufacture ambulances and ambulance stretchers to meet the demands of public institutions and organizations and the private sector in our factory, which has an area of 28.000 m2 in Ankara Industrial Zone and has an annual production capacity of more than 2.500 ambulances.

Our most recent production includes;

- ✓ 16 armored ambulances delivered to the T.R. Ministry of Health in 2016
- ✓ 12 armored ambulances delivered to the T.R. Ministry of National Defense in 2017,
- ✓ 400 emergency ambulances delivered to the T.R. Ministry of Health in 2018,
- ✓ 150 emergency aid ambulances delivered to the T.R. Ministry of health in 2019,
- ✓ 50 newborn ambulances delivered to the T.R. Ministry of Health In 2020, within the scope of the European Union Health Project in 2020,
- ✓ 380 emergency aid ambulances delivered to the T.R. Ministry of health, within the scope of the European Union Health Project in 2020
- ✓ 97 emergency ambulances delivered to the T.R Ministry of Health in 2021,
- ✓ 4 emergency specialized ambulances delivered to the Presidency of the Republic in 2021

AC ARGE produces ambulances with different vehicle bodies according to TS EN 1789 standard. The facilities and the production are ISO 9001, ISO 14001, and ISO 45001 certified. Furthermore, our ambulance stretchers are 10G tested and certified.

Yours Sincerely,

**Dogan Yelden**  
Export Specialist
